## Chapter 1: Involving Ben

Kim lay in bed nice and cozy, drifting pleasantly in that state between consciousness and slumber. Her eyes fluttered with the beginnings of REM, images of scantily-clad men and women filled her head. She was just bending over a spanking bench; her ass twitching in anticipation when her eyes popped open.

"Dammit," she whispered irritably. The beginnings of a good dream were interrupted by an urgent need to pee.

She jumped out of bed and fast-walked to the bathroom. She barely sat down when the stream started flowing. On her way back to her bedroom she heard talking coming from her parent's room. She tiptoed to the door and listened.

"Are you sure that's what you want me to do?" Kim heard her mother say quietly.

"Of course I'm sure," her father replied. "Ever since I've seen them on Kim I've wanted you to get them."

"What about the tattoo? Do you want me to get one of those too?"

"I'll leave that up to you, sweetie. All I want is to see those big nipples of yours adorned with rings. There's one other thing I would like to see as well."

"And what's that?"

"I would like to see you gang banged by a group of men."

"Oh is that all?" Gina said mockingly. "So basically you want me to become a total slut."

"Not at all," Greg replied "Although there's nothing wrong with that either. I know how much you love sex and I think you'll love getting gang banged."

"I suppose you want me to do this at the club?"

"Of course."

"What about Kim? What if she's there too?"

"Then she can join in if she wants."

"You want to fuck her again don't you?"

"I'd be lying if I said no."

"We have to be careful," Gina warned. "We don't want Ben, or others finding out."

"That's why I plan on doing it only at the club, and if she wants me to. Don't forget, she's the one that pushed back on my cock. She's the one that wanted me to fuck her. Don't tell me you didn't enjoy her licking you."

"As you said, I'd be lying if I said no. To be honest it turned me on so much I planned on doing it again at the club. With her, and if not another woman. It felt amazing to be licked and fingered by another woman."

Kim moved silently away from her parent's room and headed back to her own. The ideas were flooding into her brain so fast she could hardly keep up. Her father was right, she was the one to initiate the sex between them, but neither really put up much fight. She didn't think her brother Ben would put up much of a fight either.

Kim walked past her room and to Ben's. It was risky doing what she was about to do with her parent's home, but then again that's what made it more exciting. She slowly turned the knob and pushed Ben's bedroom door open just a crack. It was dark inside and she could hear the steady breathing that told her Ben was fast asleep. She stepped inside and closed the door behind her.

She stood there motionless as her eyes adjusted to the dark. There was enough light coming in through the blinds that she was able to make out her brother's form lying naked on the bed. *Being a family of nudists has its privileges*, she thought with a smile.

She moved across the floor as if walking on eggshells. She didn't want to wake her brother just yet. No, she wanted her mouth to have that honor. When she reached the bed she placed her hands on either side of her brother's legs and brought one leg, and then the other up until she was kneeling with her face hovering over Ben's groin.

*You're a very sound sleeper bro*, Kim thought. *Let's just see how soundly that really is.* She reached down and took hold of her brother's cock and brought the head to her lips. Ben stirred, but remained asleep. Kim swirled her tongue around the cockhead a few times, her fingers sliding down to the base as she engulfed her brother's cock in her mouth.

She sucked and licked fervently for a full thirty seconds before Ben realized he wasn't dreaming. Someone was sucking his cock and doing a damn good job of it. "What... what in the hell's going on?" he asked, blinking his eyes open. He sat up and saw his sister's face, her eyes looking up at him.

"What in the hell are you doing?" he asked in surprise. "Stop it!" He tried pulling away, but Kim kept her expertly sucking lips wrapped firmly around his cock. "Are you out of your mind? What if mom and dad catch us?"

"Mom and dad are in bed," Kim said taking her mouth from her brother's cock. "And they're not going to give a shit that I'm sucking your cock. I've already had sex with both of them."

"You what?" Ben gasped unbelieving.

"I'll explain later. Now do you really want me to stop sucking your dick?"

"No," he replied hastily. "Want me to lick you while you suck me?"

"Only if you want to," Kim replied moving into the '69' position so her brother could lick her pussy.

This was a huge step for Ben. He had seen his sister naked all his life. He had long since learned to control himself until recently when she went and got her nipples pierced. And now here she was sucking his cock. He didn't think he'd be able to control himself after this. In fact, he knew he was going to do a lot more with his sister from now on. And if what she said about their parents' was true he'd be playing with them too.

Ben pulled his sister's ass back and spread her pussy open. He licked up and down, in and out. He flicked his tongue over her clit until he could feel it growing, and her pussy was good and wet. He pushed three fingers into her and fucked them in and out while Kim continued to suck his cock. He could feel the pressure building. It wouldn't be long before he was blasting his sister's throat with his seed. That's the third place he wanted his cum to go.

"Stop for a minute sis," Ben gasped. "Get up on all fours so I can fuck you."

Kim stopped sucking her brother's cock and moved up to all fours. She wiggled her ass back and forth invitingly. Ben gripped her hips and gave her a hard slap on the ass as he pushed into her. Despite telling him she was fisted, his sister's pussy felt incredibly tight.

Kim had to bury her face in the pillow. Every time Ben spanked her ass, she moaned loudly in pleasure. She loved getting spanked and Ben was driving her crazy. "Mmmm," she moaned into the pillow, her fingers grabbing a handful of sheet. Her back arched and she flung her head back. "Fuck me Ben," she nearly screamed. "Fuck me harder! Oh god, yes!" She was bucking on her brother's cock like a wild mare.

Ben couldn't take it any longer. He slammed his dick into his sister's pussy hard and fast. "Aaahhggh," he moaned a little too loud as he started cumming; coating the inside of Kim's pussy with his potent seed. "Holy shit sis," Ben said breathing hard "that was fantastic."

"You weren't too bad yourself bro," Kim cooed. "For now let's keep this between us."

"You really didn't fuck them did you?"

"I sure did," Kim replied. "And if all goes well you'll get a chance to do the same. But for now let's keep this our little secret."

"Whatever you say," Ben replied "as long as I get to keep fucking you."

"Keep this secret and I'll come to your room every night."

"Deal," Ben smiled. Incest or not, his sister was an amazing fuck and he wasn't going to throw the chance to fuck her every night away by running his mouth.

Kim went quietly to her room, her brother's cum dripping down her inner thighs; part one of her plan complete.
