Waking at 3:22AM feeling as if her bladder was about to burst, Makayla rolled out of bed and beelined to the bathroom just in time to see her butt naked mother walking down the hall. Eyes drawn to a tattoo on her mom's backside, she saw the words PROPERTY OF THE DRUNKEN BURRO written around an entwined rose and horseshoe. Having never seen it before; she gasped. "What the hell is that on your ass?"

Hearing her daughter's voice, Amy instinctively spun around forgetting she was butt naked.

Seeing her mother also had pierced nipples and plugs lining her outer labia spelling out PUPPY SLAVE. "Jesus Christ! You refused to let me get my nipples pierced and you... you have... what the hell is a puppy slave?"

"Language, young lady."

"Seriously? You flaunt your naked ass around the house and you're mad I cussed? What does the tattoo on your butt mean, mom? And the plugs."

"It's late and I..."

"Oh no you don't! You're not just going to walk away from me this time. Your secret is out so start explaining right now!"

"I'm sorry, when did I die and leave you in charge?"

"Come on, mom, you can possibly expect me to just go to bed and forget what I saw." Eyes still focused on the plugs in her mother's outer labia, Makayla's eyes suddenly went wide in horror. "Oh God! Does that mean... do you... are you having sex with Zeus and Hercules?" she asked, referring to their Newfoundland and Leonberger respectively. Hearing her mother's gulp, she knew she just hit the nail on the head. "Holy fuck! You are aren't you? Is... Is momma getting fucked by them too?" she stammered, referring to her other non-biological mother.

"You're the one making wild accusations, Makayla, not me."

"Then tell me what it all means, mom!"

"Be quiet before you wake your momma."

"Tell me what's going on and what you're hiding from me or I'll start screaming at the tops of my lungs."

"Let's go to your room," Amy sighed.

"You better tell me everything, mom, or I'll leave home and never talk to you again!" Makayla said. Turning, she walked back to her bedroom. Once her mother was inside she shut the door and then walked to her bed where she sat on the edge. "Okay, start explaining."

"As I'm sure you can imagine, Lana and I have gone to great lengths to hide this from you, and I still think it's a bad idea so tell you now, but... here goes. When I was nineteen and your momma was twenty, we went on the wildest vacation of our young lives. I was a virgin at the time, but she was nothing short of a nympho. She took me to a party where I... I was introduced to the world of perversion. Gang bangs. Lesbian sex. Fisting. Golden showers. Breeding. I'm sorry I never told you the truth, but you were conceived at that party and I have no idea which of the twenty men is the father."

"Jesus Christ!"

"Oh, it gets more humiliating and degrading. Our final destination was Mexico. Tijuana specifically. I didn't know it at the time, but Lana wanted to see if the rumors of donkey shows were true. One thing led to another and we found ourselves at a dive bar called the Drunken Burro. Yes, the same as the tattoo on my ass. Taken below on the promise of a show we'd never

forget, we watched a woman named Maria come on stage and have sex with a dog. Men in the crowd were going wild and their hands were all over my body. The MC was calling for a woman to come up and do a sixty-nine. I... I didn't want to do it, but I ended up there anyway. It was so humiliating, but we ate each other out."

"You ate dog semen from her?"

"I did."

"Wow! W-What... what did it taste like?"

Sighing, Amy answered her daughter's perverse question. "Different from ma mans. For one thing there's way more of it. It's also waterier and a lot warmer. Honestly, I love it."

"Jesus! So, do you and momma have sex with Zeus and Hercules?"

"We do."

"I see. So, what happened after you liked Maria?"

"I ended up on top and that's when the MC brought out a Saint Bernard. He mounted before I knew what was happening and Maria put his dick in me. Once inside he just pounded me like a jackhammer and... well, if I'm being completely honest while humiliating and degrading it was the best sex I've ever had. Then I was informed I'd have to get fucked by a horse."

"No fucking way!"

"I didn't think I could take it so I convinced them to give me time to, well, to stretch myself open. They would only agree if Lana did it as well. She eventually did and then we spent the next two weeks putting on shows for hundreds of men and woman. Then came the night we were strapped to benches and taken by horses. After that Maria gave us the tattoo and piercings. Well, she gave us three thick rings in our outer labia, but they were spaced apart enough to add two more and we eventually exchanged them for tunnel which we now switch between those and the plugs I'm now wearing. There, now you know the truth of the tattoo and piercings. All I can ask is that you keep it to yourself."

"I can tell how hard that was for you, so thanks for being honest, mom. Wow! I can't believe you and momma did all of that. Dogs is messed up enough, but horses? How many have you had sex with?"

"Ninety-three dogs, sixty-four horses, and twenty-one pigs."

"Pigs? What the actual fuck, mom? When do pigs come into it?"

"Much later at the farm of someone we used to visit for such activities before moving across the country."

"How many men and women have you been with?"

"I honestly don't know."

"You know how many animals you've been screwed by but you can't tell me how many men and women you've been with? Come on, mom, I don't buy that for a second."

"I can't tell you because Lana and I did so many gang bangs during our time in Mexico and after that we never really counted, but if you really must know then best guess would be somewhere around seven-hundred men and two hundred-women."

"Fucking hell, mom!"

"You asked me to be honest."

"I know. It's my birthday today and I still want my nipples pierced."

"I'll pay for you to get them done."

"Thanks, mom. So, how many times have you and momma been to the Drunken Burro?"

"For just those two weeks before you were born."

“Does anyone else know?”

“A few people. And no, I will not tell you whom. Now, I’ve answered your questions so I’m going back to bed. I suggest you do the same.”

“Yes Ma’am.” Getting up, Makayla saw her mother out and then lay in bed on top of her blanket staring at the ceiling mind racing at what she had just learned. *I can’t believe my mothers are such perverts. She said dog semen was better than a man’s. She said it was the best sex she ever experienced. No way that can be true! How fucking sick are they to even want to get fucked by animals, let alone actually do it? And to say it’s the best ever?* Door opening, she bolted upright to see her mother with Zues standing at her right side. “M-Mom?”

“I know what you’re thinking, sweetie, and this is me giving you my blessing. Just get on all fours and he’ll do all the work. And this is so you don’t wake me and momma,” she said, holding up a ball gag. And with that, Amy nudged the huge Newfoundland into her daughter’s room, sat the gag on her dresser, and then shut the door.

Jesus fucking hell! Makayla thought. She... my own mother... does she seriously want me to... oh God! This has got to be the most humiliating, degrading, and disgusting thing I’ve ever experienced in my life!

Walking across the bedroom, Zeus put his front paws on the bed. Getting pets on the head, he licked Makayla’s hand and forearm.

I can’t believe you fuck my mothers and now at least one of them wants me to join their perversion. “Would you like that, boy?” she asked, her voice low. “Do you want to fuck me? To turn me into your bitch?” his tail suddenly wagging excitedly, Makayla inhaled sharply. “This is so fucked up,” she said as she got out of bed. No sooner was she on her feet, then she let out a long, shock-filled gasp as Zeus’ tongue was lapping at her womanhood. “Ooohhhh God!” Falling back onto the bed, legs spread, she stared down in absolute shock as Zeus continued licking. Though she had rubbed herself numerous times now, that was the extent of her sexual experience so the pleasure of being licked was blowing her mind even if it was by a dog. “Uuhnnnn! Uhn! Mmmm! Oh my fucking God!” she said a little too loudly. Her entire body burning in humiliation, she moved away from Zues, grabbed the ball gag off her dresser, and put it on.

Heart pounding, she got down on all fours unaware of the pain and pleasure she was about to subject herself to. Knowing nothing of canine anatomy, she crawled to the family pet and playfully nudged his right side. And that was all it took for the huge animal to spring into action. Tongue licking all over her naked body, he stopped at her pussy for nearly a minute. Swiping over her clit for the fiftieth time, she had her first-ever orgasm. *Oh my fucking god! I can’t believe he just...* “UHN!” she grunted into the gag as the dog’s enormous weight landed on her back. Then came the humping. Feeling his furry sheath jabbing all over the place including her virgin asshole, she adjusted her position as best she could.

The tapered tip of Zeus’ red rocket penetrating her, Makayla instinctively pushed back and moaned as it pushed deeper. Though long, it was relatively thin and after an initial pinch of pain, her entire body was flooded with pleasure. Until he began growing in length as well as girth. And then she was introduced to the knot – that huge bulge near the base of a dog’s cock whose sole purpose was to get stuck inside of the bitch in the hopes of increasing the chances of impregnation. Her first time having sex far more pleasurable than painful, that all changed when the knot grew to the size of an apple as it pounded in and out of her. But Zeus wasn’t finished stretching his bitch yet. Growing to the size of a fist, the line was crossed and Makayla’s moans became groans even as she had her second orgasm. Shoving back hard to keep him inside of her,

she breathes a sigh of relief when he finally stopped thrusting like a jackhammer. His knot now the size of a large orange, Mikayla found herself in a constant state of painful orgasm.

Two minutes. Five. Ten. After fifteen minutes and seven more orgasms, Makayla was growing concerned. Twenty minutes. Half an hour. Thirty-six minutes. Zeus' knot and cock finally shrunk enough for him to pull out, Makayla grunted into the gag as he popped free. Falling flat on the floor, she just lay there for several seconds. And then Zeus began licking her clean. Her ass raising of its own accord, she moaned and panted into the ball gag as his tongue actually slid into her gaping hole. Trembling, she reached back and pushed her right hand into her pussy to the wrist.

Holy fucking hell! This isn't possible! How the hell am I fisting myself? I mean, I know he stretched me open, but that much? I just lost my virginity and now I can take a fist? This is insane! Pulling her hand out, Makayla made a fist and punched it back in. Out. In. Out. In. Vision blurring, head spinning she had the most intense, mind-blowing orgasm of her very short sex life. Pulling her hand out, she sat back and offered it to Zeus who immediately began licking it clean. She then wrapped her arms around his neck and hugged him tight. Removing the ball gag, she showered him with kisses. "Thank you!" she purred. "That was amazing and I can't wait to do it again!" *We have another dog so why wait?* She thought, her clit throbbing with excitement at the thought of being Hercules' bitch.

Looking down at the mess on the floor, Makayla slowly exhaled. Then for good measure she tried punching her fist back into her pussy. It easily going in to the wrist, her hips bucked up as she had her first squirting orgasm. *Fucking hell!* She moaned as she pulled her hand free. Offering it to Zeus, she let him lick it clean before letting him out of her bedroom. Following him, she found Hercules in the living room. Calling him to her, she took him to her bedroom and immediately got down on all fours next to him. Hoping to get a look at his dick, she nervously reached up and began stroking his furry sheath. The tip of his red rocket emerging, she bit into her lower lip. *Oh God, I can't believe this is happening!*

Within a minute, Hercules' cock and knot was showing, but not at full size. Drawn in by the odd shape and color of it, Makayla continued jerking him off. Growing longer and thicker, she quickly realized how Zeus was able to stretch open so much. *Jesus Christ!* Eyes locked on the still growing knot, she felt short of breath just thinking of it pounding in and out of her. Curiosity getting the better of her, she leaned down and gently licked the shaft from knot to tip. Closing her eyes, she took him into her mouth. Holding him behind the knot, she took him all the way down her throat, gagged, and immediately pulled back in a coughing fit. "Jesus fucking Christ! I can't believe I just... I've lost my damn mind." And with that, she took him back into her mouth, but this time took it incredibly slow all the while Hercules shot pre-cum which she swallowed without question.

Head bobbing back and forth, Makayla alternated between sucking, licking, and swallowing pre-cum until it became warm, watery jizz which she gulped down with equal enthusiasm. *This is so fucked up! I'm sucking a dog cock and eating its cum and I fucking love it! Mom was right, it tastes really fucking good!* Reaching down, she made a fist and punched it into her pussy. Grunting in pain, as it took a bit more force than before, she nevertheless continued fisting herself as she sucked the family pet to completion.

Letting Hercules out of her room, Makayla went to the bathroom for a quick shower before going back to bed at 5:47AM. Her mind unable to shut off as it repeatedly went over the events of the last two hours, the last thing she saw before finally succumbing to exhaustion were the first rays of dawn.
