[Chapter 4](#)

Looking around the main dungeon of The Dark Room, Aiden let his eyes drift over several scenes of men and women engaged in various scenes. A petite brunette restrained standing spread-eagle with five men flogging and caning her from shoulders to thigh. A man bent over a bench sucking another man off while a blonde woman fisted his ass. A gorgeous, freckle-faces redhead on her knees while men jerked off on her face. But what caught his attention was a butt naked woman wearing a hood completely concealing her identity with a FREE USE FUCKTOY neon sign overhead. Knowing exactly what that meant, he approached the station where he was immediately acknowledged by a stunning Mistress wearing a form-fitting corset dress and knee-high boots.

“Evening. Care to use this worthless cumdump?”

“I admit my curiosity is piqued, Mistress,” Aiden replied, showing appropriate respect for her status.

“I’m Mistress Chloe. And you are?”

“My name is Aiden, Mistress.”

“Nice to meet you, Aiden. Before you use this fucktoy there are a few rules you need to know. First: the sensory deprivation hood remains on. That included the ball gag. Two: you may fuck either hole, but you can only come in her baby-maker. Her words, not mine. If you come anywhere else you’ll be disciplined. Three: you may freely use everything in the station as you wish. Now, before you attempt to breed the sexy little cow, there’s the matter of being disciplined. If you break any of the rules you’ll receive one hundred swats of the cane followed by being given chastity piercings and a freeze brand of my choice. If you accept the rules then you can have your way with her.”

“Does she have a name?”

“She does, but for tonight it’s cow. Not that she can hear you.”

“Just so we’re on the same page, everything in this station is free use?”

“That is correct.”

“Sweet.” Grabbing Mistress Chloe, Aiden spun her around and then bent her over a table.

“W-What the hell do you think you’re doing?” Mistress Chloe exclaimed as her dress was pushed up over her ass revealing she wasn’t wearing panties.

“You said everything was free use. Before I breed her, I’m going to give you a load or two.”

“If I’m free use then you are too so think about that before you do anything you might regret.”

“Actually, you agreed that everything in the station was free use. I was outside the marked off area when I asked and you confirmed.”

“Maybe, but you’re in the station now and I can be a very sadistic Mistress so you better think twice before... UHN!” Mistress Chloe grunted as Aiden’s cock slid into her womanhood.

“Do you want me to stop, Mistress?” Aiden asked as he slowly pushed his thick nine inches balls deep.

“Uhhhhh! N-No!”

“Are you sure, Mistress?”

“God damn it, Aiden, just fuck me and get it over with! Use me as your fucktoy, but remember, you’re only permitted to cum in the cow or you’ll be disciplined!”

“Well, that’s no fun! Sure you don’t want me to breed you, Mistress?”

“I would, but the rules are the rules.”

“And who makes those rules, Mistress? You do. You can change them as well. Go on, change the rules. Beg me to breed you like the sexy fucking cow that you are!” Aiden said – digging his fingernails into the gorgeous woman’s hips as he slammed her hard and deep.

THWAP! Pulling his right hand back, Aiden brought it down on Mistress Chloe’s ass.

“One! Thank you, Master, for teaching me this lesson!” the humiliated dominatrix counted and gave thanks as if being disciplined.

THWAP!

“Two! Thank you, Master, for teaching me this lesson.”

THWAP!

“Three. Thank you, Master, for teaching me this lesson.”

THWAP! Switching hands, Aiden slapped Chloe’s left ass cheek.

“F-Four! Thank... thank you, M-Master, for teaching me this l-lesson!” Chloe moaned in orgasm.

THWAP!

“FIVE! Thank you, Master, for teaching me this lesson!”

“Are you sure you’re dominant? Go on, slave, beg me to breed you or I’ll use the cane to get the truth out of you!”

“I... uhn... uhn... I r-really wish I could, but she set the rules and is the only one that can modify them and no amount of swats will change that so if you’re going to come you better do it in her or you will be disciplined.”

“Those rules only apply within the station, right?”

“Correct.” No sooner was her confirmation out, then Mistress Chloe was spun around and with Aiden’s cock still buried balls deep in her pussy, slowly walked just outside of the marked off area. “Okay, you win!” she said as she was lowered onto all fours. “Please breed me, Master! Please pump your load into my unprotected pussy! Use me as your cum dump until I’m carrying your child! Uhn! Uhn! Oh God yes! That’s it, Master! P-Please don’t hold back! Pump your seed into me! Please use me as your breeding cow!”

“Is that what you truly want, or are you just saying what you think I want to hear?”

“I mean it, Master! I want your big fat cock pounding me day and night until... no, even after I’m pregnant! Dear fucking God, I want to be your breeding cow forever!”

“Forever, huh? If you want to spend the rest of your breedable life being my cow then you’ll have to submit to me in every way, shape, and form. And if we’re going to have kids together then... well, the only right thing to do it get married. Is that what you want, slave? Do you want to marry a man you don’t even know just to have his babies?”

“YES MASTER!” Mistress Chloe purred through another intense orgasm. “Sweet fucking Jesus! If it means getting your huge cock day and night I’ll do anything you command! Please make me the happiest breeding cow in the universe, Master! Please... Please marry me!”

The conviction and sincerity behind her words catching him off guard, Aiden pulled Chloe back and gave her exactly what she wanted. “If you truly mean what you just said you’ll announce our engagement to the entire club and then we’ll get special rings to celebrate the occasion,” he said as one ropey strand after another filled her tightly clenching womanhood.

“Y-Yes Master!” Chloe panted.

Seeing movement from the corner of his left eye, Aiden turned to see a tall, busty brunette dressed as a sexy librarian approaching.

“I couldn’t help but overhear what was just said so please let me be the first to congratulate you on your engagement. I’m Mistress Renee. If you give me your name I’ll make the announcement while you continue breeding your cow. Afterwards I can give you those special rings you mentioned. Assuming we’re on the same page with that.”

“My name is Aiden Stone and by special rings I meant matching nipple piercings.”

“I thought as much. Would you like me to make the announcement so everyone can see you fucking your cow?”

“I’d appreciate that, Mistress. Thank you.”

“My pleasure. And apparently hers too. That must be some cock you have to not only get Mistress Chloe to submit, but propose marriage. Maybe I’ll have to try it for myself.”

“That can be arranged, Mistress, but I have another cow to breed tonight as well,” Aiden said with a nod toward the hooded kneeling woman.”

“We’re always open so come back anytime and my pussy is yours for the taking.”

“Kneel next to me, Mistress. When I pull out I want to see you licking my cow clean.”

Without saying a word, Renee got down on her knees and as soon as Aiden’s spent cock slid out, she got into position and began licking and sucking every drop of semen and pussy juice from her coworker’s pussy.

“Mmmm... t-thank you for licking me clean,” Chloe purred.

Walking around, Aiden knelt in front of the well-fucked dominatrix and tenderly caressed her cheek. “This is your last chance to change your mind, cow. Once Mistress Renee makes the announcement I’ll consider us engaged.”

Looking into her handsome lover’s eyes, Chloe’s smile widened into a grin. I meant every word of it, Master! I know it’s insane, but the second you took me like you owned me, everything changed. I knew in that moment I’d do anything for that magnificent cock even if it means being trained as your sex slave. Please tell me you feel the same.”

Leaning down, Aiden kissed his gorgeous lover on the lips. “Chloe, will you make me the happiest Master in the universe by becoming my sex slave and wife?” he proposed.

“YES MASTER!”

Giving his fiancé another kiss, Aiden got to his feet and looked down into Chloe’s eyes. “After Mistress Renee makes the announcement she’s coming back to give us matching nipple piercings. Then, assuming she knows how, she’ll give you chastity piercings to ensure I’m the only man you have sex with until confirmed pregnant. Is that understood?”

“Yes Master,” Chloe said without hesitation.

Swallowing the last drops of Aiden’s semen,” Mistress Renee sat back and licked her lips. “Every Master and Mistress working here has been trained and certified to perform all manner of body modification and it would be my honor to put your slave in chastity.” Getting to her feet, she softly moaned. “Let me go make that announcement and I’ll come back to perform whatever work you wish to have done.”

“Thank you, Mistress.”

“Mmmm... yes, thank you, Mistress,” Chloe purred.

“We’ll get to know each other later. Right now I have another cow to breed,” Aiden said. “While I pound my load into her I want you using everything at your disposal to cover her in welts.”

“Yes Master.”

“I take it your switch?”

“Most of us working here are, Master, and let me tell you I love submitting to that amazing cock of yours.”

“I have to say you’re the first woman I’ve ever fucked into submission, but I’m not upset. Let’s get back into the station and talk a bit while I recover enough to breed that cow over there.”

“Yes Master.”
