“And who is this lovely creature?” Declan asked his maid all the while giving the sexy young brunette now standing in his home office a once over.”

“This is your three o’clock, Sir.”

“Is she now? Thank you Megan. You may go.”

“Yes Sir.”

“Do you have a name or would you like me to call you three o’clock?”

“My name is Riley, Sir, and I...”

“I know what you’re here to do, Riley. The question is are you absolutely certain this is your only way out?”

“My parents have spent the last decade getting credit cards and loans in me and my sister’s name. Credit cards and loans they had no intentions of paying off. They ruined any chance of us ever buying a house, getting financial aid for college or anything else involving our credit report, so, yes, I’m certain this is my only option, Sir.”

“It sounds to me as if they should be the ones here to pay you and your sister back. Or are they in prison where they belong?”

“They’ve screwed our lives over royally, Sir, but they’re our parents and neither of us could bring ourselves to press charges. As for them paying for what they’ve done...well, that would be a first.”

“Then let’s make it happen. You know what I ask of my clients. If you want to get out of debt and make your parents pay for it then you’ll convince them and your sister to join you here in one week.”

“I don’t see that happening, Sir. Please, I just need to do enough shows to pay off my credit report and put some money in the bank and I’d rather not involve the rest of my family. Especially my sister. She’s only eighteen and as far as I know still a virgin.”

“Even better. Bring them with you next week ready to get perverted or don’t come back. You may go now.”

“Please...”

“I said you may go.”

Holding her tongue, Riley opened the door and stepped into the hallway where she saw Megan leaning against the wall waiting. “He was my last hope,” she said more to herself than the maid.

“He didn’t give you the part?”

“Not unless I bring my family and since that’s never going to happen I can forget about ever getting a house or loans for school. Thanks to him I’ll have to work three damn jobs just to make ends meet.”

“If he wants your family to join then there must be a reason for it. Mr. Price never does anything without reason. I strongly suggest making every effort to satisfy his demands or he’ll never give you what you’re looking for.”

“My sister is a virgin and my parents screwed our lives over without regard for how it would affect us so there’s no way in hell they’ll ever agree to this. Especially when I tell them what *this* is. Sorry, none of this is your problem so can you please show me to the door?”

“Absolutely. If you don’t mind me asking, how much money are you looking to earn from Mr. Price?”

“I need sixty-three grand just to pay off what they ran up in credit card and loan debt.”

“Ouch. Well, if you’re here then you’re desperate to do whatever it takes to get out of debt so talk to your family. Convince them this is in everyone’s best interest. And if they can’t see that then perhaps they’d prefer prison.”

“That’s just it. They know I’ll never send them to prison so it’s not much of a threat.”

“Then make it a threat. Or don’t. The choice is yours. Either way you know what Mr. Price wants and I can assure you he will never budge.”

“Would you do it?”

“If I were in your position? In a heartbeat. Look, I really shouldn’t be doing this, but I’m not just Mr. Price’s maid. I’m also one of his lawyers and if you like I’ll go home with you to sell the whole prison thing.”

“I don’t give a fuck what happens to my parents, but my sister is just another one of their innocent pawns. She’s still a virgin for Christ’s sake. I can’t ask her to lose it in such a perverted way.”

“She wouldn’t be the first. Anyways, the option is there, but ends the moment you walk out that door.”

“We’d have to do so many shows just to break even.”

“Seeing as how your parents are the ones that got you into this mess then perhaps their cut should go towards paying off you and your sister’s illegal debt. That being said, family shows do bring in far more than single performers so there’s that to think of.”

“When you say family show...”

“Oh, you’ll definitely be fucking each other so that’s something else to wrap your head around. And before you ask, no, you may not take your sister’s virginity. If she is virgin that is. She will have to be checked, of course, and if she is then she will lose it to dogs in all three holes before having sex with you and your parents. So, would you like me to come home with you or would you prefer to work three dead end jobs while your parents continue ruing your futures?”

“Even if we did do it, they’ll just go right back to screwing us over.”

“Not necessarily. Mr. Price has ways of breaking even the most stubborn personalities. By the time he’s done with them I can guarantee they’ll never screw you or anyone else over again. Did I mention he’ll pay ten times normal price for family shows?”

“T-Ten times?”

“Absolutely. Assuming my math is correct that just means three shows and you’re already out of the red and well into the green. And assuming your parents’ portion go to you that’s even more in you and your sister’s bank accounts. Now, I’ll ask one last time,” Megan said as she reached out for the doorknob. “Will I be coming home with you or shall I inform Mr. Price that you won’t be returning?”

“Against my better judgement I’ll have you come with me. Honestly, I’m going to need you to do most of the convincing.”

“I can do that. Before we go we should talk about what they’ve done to you and your sister in more detail so I get a better picture of what I’m dealing with. And even though you’re here to do the unthinkable which tells me you’re prepared to get perverted I would like proof.”

“What sort of proof?”

“Seeing as how Mr. Price has already set down the condition for you doing his shows I shouldn’t be doing this, but god damn it if you’re not one of the sexiest women I’ve seen come through here in a while and I honestly don’t want to pass up the opportunity. I’ll pay you the normal going rate out of my own pocket if you put on a private show for me right now.”

To Megan's surprise, Riley pulled the hem of her tight black skirt up and revealed she was not wearing panties as she got down on hands and knees. "Go get the dog," she said, the last word catching in her throat.

"I appreciate your enthusiasm, but we'll be doing it at my place so if you'll follow me it's not too far. And since you're already down there you might as well crawl beside me like the sexy bitch that you are," Megan smiled. Opening the door, Megan held it open so that Riley could crawl out. After shutting it behind them she led her new bitch off the front porch and around the back of Duncan's thirty-nine room mansion where Riley saw several out-buildings including barns, stables and at least four other much more modest homes. Their destination was the tan brick ranch furthest on the left.

"When we go in please take all of your clothes off and then get back into position. Unless, of course, you want the dogs to ruin them with their claws.

"D-Dogs? I thought I was only doing one? How many do you have?"

"I have three and after watching you wiggle that sexy ass of yours I'd like to see you do all three. Agree and I'll add an additional thousand to the pot."

"Agreed."

"Good girl. They are very well trained to fuck women and will immediately start sniffing the moment they see you so don't be alarmed when they rush in your direction once in position."

"What breed?"

"Dobermans. And their names are Hades, Lucifer and Widget."

"One of those names isn't like the others," Riley said as she crawled from the cool spring grass onto the rough concrete stairs leading up onto the front porch of Megan's house.

"Don't let the name fool you. It may sound cute, but he's a beast and definitely the alpha of the pack. The others will attempt to mount first but he'll be the one to break your canine virginity as it were."

The front door opened. Riley crawled into a living room modestly decorated with modern furniture and a few pieces of art hanging on the walls. No sooner did she get to her feet to take her clothes off then the three dogs ran in from the kitchen and wasted no time in getting to know the new guest. Slowly reaching out her right hand, she let them sniff a few seconds before petting them between the ears. "Hey boys, I'm Riley and I'll be your bitch this morning," she said, the nervousness in her voice evident to the woman standing silently to her right.

The moment of truth was upon her. Butt naked, Riley gulped back any lingering pride and then dropped to all fours. As promised, the dogs were all over her, noses sniffing, tongues licking and bodies mounting from every angle. And then it happened. Less than ten seconds after getting into position Widget hopped on her from behind and she felt his dick poking around for something to penetrate. She instinctively adjusted her position and as soon as the tapered tip of his canine cock found purchase he slammed into her like a jackhammer. "UHN! H-Holy shit! Uhn...uhn...I can't believe I'm...ooohhhh god! I f-feel him growing in me!"

"You're doing great. I'm going to take my clothes off now and you're going to eat my pussy while they make you their bitch. That going to be a problem?"

"N-N-No," Riley grunted as Widget fucked her harder and faster than any man she had ever been with. "You...mmm...you're my first woman but I'll do my best."

"Then consider this practice for when you pleasure your sister and mom," Megan said as she slowly stripped out of her clothes. Dropping to her hands and knees, she gave no resistance as Lucifer jumped on her back and started humping. "Looks like you're going to get the honors of eating his load from me," she purred.

“C-Can’t wait. Also...uuhnnnn!” before the rest of her thought got out, Riley exploded in orgasm as Widget’s dick glanced off her g-spot. “OH MY FUCKING! I can’t...he just...uhn...uhn...uhn...Jesus Christ I just came from a dog’s cock! I mean...HOLY SHIT!”

“I know, right? There’s nothing like getting pounded by a canine lover. And I’m sure your sister and mother will feel the same when they join you on stage in front of several hundred spectators.” Inching a little closer, she kissed her pretty young guest on the lips. Seeing as how she was being fucked by a dog, Riley gave no resistance as their tongues danced a tango in each other’s mouths.

When Gizmo and Lucifer finally pulled their cocks from their human bitches and wandered off to lick themselves clean, Riley quickly crawled on top of Megan and ate her first pussy filled with dog semen all the while Hades gave her a second lesson in what it truly means to be a bitch.

“Well, after having sex with two dogs and another woman how are you feeling?” Megan asked as she slowly licked the last drops of semen from Riley’s well-fucked hole.

“At the very least I should be humiliated and definitely degraded, but god damn it I don’t want to do it again,” Riley beamed in reply. I mean seriously, I haven’t been with a whole lot of men, three if I’m being honest, and they’re not even in the same galaxy as your dogs. As for sex with another woman? That’s something I can definitely wrap my tongue around. I just hope we’re able to convince my sister and parents his is in all of our best interest.”

“Once faced with the mountain of evidence leading to twenty years behind bars I don’t think your parents will be the problem. Your virgin sister on the other hand?”

“Mr. Price said he wanted them all here for the shows, but he didn’t specify my sister had to remain a virgin for the first. Will he pay less if she’s not?”

“If he does it’ll be negligible considering what you stand to make. Are you thinking about fucking her before the show?”

“I’m considering it.”

“Why don’t we sit down and talk to them about it and if she refuses then we can use other methods of persuasion to get her on board?”

“I’ll defer to your expertise.”

“Then let’s get dressed and go convince your family to become perverts.”
