“How do you even know they’ll do it?” Heidi asked as she looked down at Duke - the black lab she petted between the ears.

“The dogs at the farm were willing enough,” Shae replied as she rubbed the belly of Hershey - her newly acquired chocolate lab.

“No kidding,” her sister Brooke added as she pet her new yellow lab Bandit. “They didn’t even hesitate.”

“So, how do we do this?”

“Well, at the farm I just got on all fours, they let the dog into the shed and he mounted me,” Brooke answered. “Maybe start with that and see where it goes?”

“I can’t fucking believe I’m about to let a dog fuck me,” Heidi exhaled slowly. “And this isn’t some trick to make me do something incredibly kinky? You really did have sex with dogs?”

“Absolutely,” her roommate and lover Shae replied. “We told you, once your dog is fucking you I’ll go next and then Brooke will get Bandit to mount her. That way we all do it at the same time with our own dog. If we were trying to trick you why would we buy dogs of our own and agree to do it?”

“Fine, but this better not be a trick or I’ll never forgive either of you! Ok Heidi, you can do this,” she said as she got down on the floor on her hands and knees. “Come on boy! Come on Duke, fuck me! Make me your bitch, boy!” she said as she wiggled her ass in the dog’s face. Duke caught her scent and buried his nose in her pussy causing her to instinctively pull forward away from it.

“Don’t pull away!” Shae exclaimed. “Push back on his nose. Let him get your scent!”

Heidi did as she was told, taking slow, deep breaths to calm her rapidly trembling nerves. “Oh my god!” she gasped “H-he licked me! He’s...uhn...he’s n-not stopping!”

“Good girl!” Brooke said with a grin. “If you like that wait until he mounts you.”

Duke licked several more times and then mounted his new human bitch for the first time. Hindquarters hunching wildly, he jabbed at her several times before hopping down and giving her a few more licks. He mounted again, his front claws scratching her hips and sides as he desperately tried to get his cock into her.

“Mmmmpphh!” Heidi grunted in surprise as Duke’s cock finally went into her pussy. “Uhn...uhn...uhn...h-holy fuck!”

“I know, right!” Shae squealed with delight. “Push back on him! Make sure you take it all!”

“Do you feel it growing inside of you?” Brooke asked.

“Mmm hmm! Fucking hell it feels amazing!”

Shae got down on her hands and knees and coaxed Hershey into licking her as promised. She had a little more experience when it came to sex with animals, but he was still a novice in need of training. It took him a few minutes to get the idea and another ten to get his cock into his Mistress, but as soon as he did Brooke got into position and followed suit with Bandit and all three women were moaning loudly as their dogs fucked them silly.

“OH MY GOD!” Heidi gasped. “H-He’s stuck in me! He can’t pull out! Why can’t he pull out of me?”

“Calm down,” Brooke moaned “that’s his knot and it’ll go down after he fills you with his load. Relax and enjoy it.”

And enjoy it she did. With the baseball sized knot pressing hard against her g-spot, Heidi had a powerfully intense orgasm followed by several aftershocks that left her breathless, trembling and seeing spots. When Duke finally pulled out, she collapsed to the floor as a torrent of semen and pussy juices gushed out of her. Holy mother of god that was amazing!" she panted. "I...I can't believe...WOW! By a dog!"

"Give him half an hour and he'll be ready to go again!" Shae moaned as Hershey slammed his cock into her hard and fast. "H-how do you like being a bitch now?"

"I love it. I've watched it many times in videos, but never imagined I would ever do it! Holy fucking hell am I glad you talked me into it." Getting back onto her hands and knees, she crawled in front of Shae and pushed her pussy back into her face. "Lick me clean, bitch!" she said looking back over her shoulder at her lover. "Lick the doggy semen from my well-fucked pussy!"

"I'll do more than that!" Shae moaned, extending her tongue and swiping it along her lover's dripping wet pussy. She noticed the way it gaped open – no doubt from the large knot that fucked in and out of her until it grew too large to pull out again. Knowing what a slut her porn star lover is, she bunched up her fingers and pushed them in, not stopping until her entire hand was in Heidi's pussy.

After Hershey filled his bitch with semen and dismounted, Shae pulled her fist out of her lover and crawled in front of her sister. "Your turn to eat doggy sperm, sis!"

"My pleasure," Brooke moaned, not hesitating to stick her tongue as deep into her sister's pussy as it would go.

"Mmmm, you're such a good pussy licker sis!" Shae moaned. "It's a shame we didn't do this years ago!"

"Yeah, all it took was for me to be blackmailed into becoming a sex slave," Brooke replied. "Not that I'm complaining anymore."

"Oh? S-So you're going to...uhn...going to be a sex slave n-now?"

"Why not? I'm already on that path, right? And won't I be trained at the studio like you?"

"Not if you don't want to," Heidi answered.

"I think we should all go to studio thirteen for training," Brooke said.

"I agree," Shae agreed. "Once the dogs are done with us all we should go to the studio and see Mistress Melody."

"I...uhn...uhn...I'm n-not into that sort...uhn...of t-thing," Heidi moaned, pushing back on Shae's fist as it continued plunging in and out of her pussy.

"And half an hour ago you weren't into sex with dogs, but look at you now," Shae countered.

"And when Bandit fills me you're going to crawl behind me and lick me clean like a good little puppy slut aren't you?" Brooke asked, momentarily pulling back from her sister's pussy.

"Yes."

"Why? Why are you going to lick the dog jizz from my pussy?"

"Because you asked me to."

"No, I commanded you to lick me. And you're going to follow my order to the letter isn't that right?"

"Yes."

"Why?"

“Because you...because I...oh god! Because I want to eat the semen from your pussy!” Heidi exclaimed. “And I want to taste your pussy!”

“Do you like being commanded to do humiliating and degrading sexual acts?”

“No.”

“Push back on Shae’s fist! Pull off of it and then slam back on it!”

Heidi pulled off of her lover’s hand and then rammed back onto it, taking it until she felt the fingertips pressing against her cervix. Her pussy clenched tight around Shae’s wrist as her clit throbbed with excitement. She pulled forward until only her lover’s fingertips were in her and then slammed back again. Forward! Back! Forward! Back! Each hard thrust causing the orgasm to build until the dam was about to burst open.

“Now pull off and push back as hard as you can, but up the ass!” Brooke commanded.

Heidi pulled off of Shae’s hand and rammed back, not really thinking about what she was doing, or where it was going. Not that she was a novice at taking it up the ass or anything, but it’s been a while since she took a fist in there. But some things remained learned no matter how much you neglect them, and as she shoved back onto her lover’s hand, she moaned in orgasm as her ass stretched open to accept it.
