Night descending on the adult-only town of Angel Falls – named for the triad of waterfalls flowing from a plateau in the vague shape of a body with wings on the sides, most of the citizens were settling in, but Harley’s day was just getting started. Nocturnal by nature, the 22-year-old long-haired beauty put on a short, loose-fitting dark blue summer dress and a pair of matching gladiator-style boots. Slinging a black backpack over her left shoulder, she walked out of the bedroom and into the living room where she grabbed her keys before heading out for what she hoped would be an evening of fun and excitement. Seeing her neighbor out on his front porch, she gave him a wave. “Hi, Dan.”

“Evening, Harley,” the 43-year-old greeted his sexy young neighbor.

Making sure she was faced away from him, Harley bent over and pretended to adjust the straps of her right boot causing her dress to ride up enough to put everything on full display.

“Sweet fucking Jesus!” Austin exclaimed at the sight of his stunning neighbor’s nether region. Catching a glint of metal, his eyes immediately focused on the ring dangling from her pierced hood.

The excitement in his voice music to her ears, Harley took a long moment to fix her boots if for no other reason than to tease her older, but still handsome neighbor. Standing, she looked back over her shoulder. “I love these boots, but boy can they be a pain in the butt to keep straight,” she said, her eyes trying to catch a glimpse of Austin’s crotch.

“Seems like it,” he replied.

Walking up to her neighbor’s porch, Harley gave him a broad smile. “Did you like what you saw?”

“I, um, you, I...”

“It’s okay. There’s nothing I love more than being watched so you just go ahead and look all you want,” she said, pulling the front of her dress down and putting her perfect 34Cs on display. You see that window right there?” she asked, pointing to a middle first-floor window facing her neighbor’s house. “That’s my private bathroom and from now on the blind and curtains will remain open so you can watch everything I do. I know what you’re thinking and, no, this isn’t a joke or trap. I genuinely love being an exhibitionist and nothing would make me happier than seeing you jerking off watching me shower and using the toilet,” she continued as she walked onto the porch while lifting the hem of her dress up over her hips. “Now tell me, do you like what you see?”

“I’d be lying if I said no.”

“Then tell me the truth.”

“You’re the sexiest woman in this town and you have no idea how much I want to bend you over the railing and fuck the shir out of you!”

Grinning ear-to-ear, Harley spun around, placed her hands on the wooden railing, and then pushed her ass back toward her neighbor. “Don’t hold back. And if you get me off before you do this won’t be the last time I let you fuck me like a bitch in heat.”

“A-Are you... what’s the catch?”

“No catch. You think I’m sexy, I think you’re handsome. We’re both obviously horny as hell so let’s do it! Better hurry before I change my mind.”

Not one to look a gift ass in the hole, Austin quickly got to his feet, pulled his pants down, and then thrust balls deep into his gorgeous young neighbor as if his life depended on it.

“Uuhhnnn! Sweet fucking Jesus you’re huge!” Harley grunted as her neighbor’s thick 9-inches pleasantly stretched her. “Uhn... uhn... ooohhhh God yes! D-Don’t... mmmm... if you ever want to fuck me again don’t you dare pull out until you’ve deposited every last drop! Uhn... uhn... dear fucking God I love your mammoth cock stretching me! Grab my tits! Tweak my nipples! Uuhhnnn! That’s it!” she purred as her large nipples were pinched and pulled as her well-hung neighbor responded well to instructions.

“I’ve wanted to do this since the day you moved in!” Austin confessed. “I’m going to pump you so full of cum you’ll give birth to an entire army!”

“Mmmm! Yes! Use me as your personal cum dump! Breed me like a bitch in heat! I’m not on birth control, Austin, so I’m fertile and ready to be knocked up like the fucking whore that I am!”

THWAP! His hand coming down hard on his neighbor’s sexy ass, Austin felt her clamping down on his cock even harder.

THWAP!

THWAP!

THWAP!

“Uuhhnnn! Yes! Spank my naughty ass! Leave your handprint so I know who I belong to!”

THWAP!

THWAP!

THWAP!

THWAP! Right hand slapping her ass while the left rolled her nipple between finger and thumb, Harley gripped the railing and shoved back as the orgasm gushed from her in torrents. “I’m giving you a key to my house so you may come in and fuck me whenever you want,” she said, looking back over her shoulder. “And if you come in and breed me when I least expect it, even better!”

Digging his fingernails into his perverted neighbor’s breasts, Austin gave her a dozen hard thrusts and then planted his seed as deep as possible while imagining all the things he was going to do to her including breeding her in her sleep. But not until he got everything on video.

“Mmmm... that was amazing!” Harley purred. “Now how I thought this night would go, but I’m glad we’ve finally gotten to know each other better.”

Still hard, Austin started fucking Harley again, but pulled out after just a few thrusts to slam into her ass.

“UHN! Oh God damn! We... we’re going... uuhhnnn.... We’re definitely going to have a lot of fun together!”

“Yes we are!” Austin said as he gave her nipples a hard pinch before pulling and then letting them slowly slide free.

∞ ∞ ∞

Pumping a load into all three of Harley’s very accepting holes, Austin finally stepped back spent and sated, but not yet finished. Kneeling, he pushed his tongue into her womanhood and began lapping up what remained of his seed.

“Are you eating your cum from my pussy?” Harley moaned.

“Is that a problem?”

“Hell no! If anything it makes me like you even more. Feel free to lick me clean anytime.”

And that's exactly what Austin did. And not just her pussy. Having swallowed every possible drop, he moved to cleaning her ass. Both holes licked clean, he sat back and then got to his feet. If we're going to do this I want undeniable proof it's what you want so you'll make a video detailing everything from me watching you through the window, to coming in at night to breed you. Do that and I promise we'll have endless fun together. Refuse and, well, as much as it'll suck, this'll be our last time together."

"I'll make the video, but only if you agree to sign an NDA and contract promising to never show it to anyone or post it to the internet."

"Deal."

"I have to get going, but I'll have the video and NDA for you tomorrow."

"Looking forward to it. Just one last thing before you go..." And with that, Austin gently guided Harley to her knees, slid his dick down her well-trained throat, and then began pissing.

The warm stream flowing down her esophagus, Harley's eyes went wide in shock and that's the moment she understood just what sort of fun her neighbor wanted to have with her. Allowing it to happen if for no other reason than she didn't want to waste time showering and changing out of piss-soaked clothes, she looked up into Austin's eyes and offered no resistance as he used her as a toilet.

"Fuck, that was hot!" Austin said as his cock slid from his neighbor's mouth.

"That was messed up, man! I can't believe you pissed down my throat like that!"

"You let me do it so it must not have been too bad. That being said, if you want to play with me you'll have to get used to engaging in all manner of sexual perversion."

"I... it's a good thing you're hung like a fucking horse and able to keep it up multiple times in a row. I don't know if I'll ever like it, but... but you can use me as your toilet whenever you want. Piss only," she immediately clarified. Now I need to go get cleaned up so I'll see you tomorrow."

"Looking forward to it," Austin said as he pulled his sexy neighbor in for a kiss which was instantly accepted and reciprocated. Feeling his dick growing hard against her thigh, she jumped up, wrapped her legs around his back, and then lowered herself onto him for another round of breeding. "Uuhhnnn! I can't believe you can get it up again!"

"That should tell you just how much you turn me on!" Grabbing Harley's hips, he easily bounced her up and down on his throbbing manhood – plowing her fertile fields until planting his seed nice and deep.

"You turn me on too," Harley purred. "And your cock! My fucking God does it feel good! I've never taken anything so big in my life and... uuhhnnn... I'm hooked!"

Pumping his load into his lover's fertile womanhood, Austin kept his dick buried balls deep until going limp and sliding out. Immediately placing her on all fours, he knelt behind her and once again began licking her clean.

"Mmmm... God, I love that you're so willing to eat your own cum! And me! Your tongue feels almost as good as your fat cock."

Swallowing the last of his load, Austin sat back and licked his lips. "Why are you doing this?"

"Doing what?"

"Showing me your sexy body and letting me fuck you. Don't get me wrong, I love that you are, but we've been neighbors for three years and this is the first time you've ever done anything like this."

“Honestly, I don’t really know. It just felt right in the moment and holy fucking hell did it ever!” Harley said as she rolled onto her knees to face her neighbor. “I meant everything I said. I’m yours to use – whether for sex or as a urinal, whenever you want. I’m also not on birth control so there’s a very real chance of you actually breeding me. What do you think of that?”

“I think I’m going to look forward to knocking you up, but can I ask why you’re not on birth control?”

“I was, but stopped taking it two months ago in preparation of this night. I’ve had a breeding fetish for a while now and I had planned on getting a bunch of men to gang bang me in the hopes one of them knocked me up, but now... if it’s what you really want I think I’d rather be bred by you. But please only do it if you’re prepared to raise a child together. If you’d rather not be a father just say so and I’ll go ahead and let other men use me as their cum dump so I never know who impregnates me.”

“You’re young enough to be my daughter. Why would you want to be with an old man like me?”

“You might be old enough to be my dad, but you’re handsome, fit, and have a cock to die for. My question is: are you going to be oaky being with an extreme exhibitionist that’s going to spend many a night showing herself to everyone in town?”

“Only if you’re okay being my submissive and potentially sex slave.”

“Not gonna lie, I’ve never engaged in bdsm before, but I’m willing to give it a try for the right person and I think you might be it... Master. OH! I really liked how that made me feel!”

“And how did it make you feel, Harley?”

“My clit immediately tingled with excitement, Master. Do you like it when I call you Master?”

“I do. So, do you want to be my submissive or sex slave?”

“Can I think about it, Master?”

“Absolutely. Take all the time you need and once you’ve made up your mind you know where to find me.”

Thank you, Master. I’ll definitely give it serious consideration and will let you know one way or another when we see each other tomorrow. I’m going to go shower now.” Leaning in, she kissed her neighbor turned lover. “Even if I decide not to submit to you, do you still want to be my boyfriend and the father of my children?”

“God yes!”

“Then I’ll see you tomorrow, Master. Fuck, that makes me feel all warm and fuzzy!” Giving Austin another kiss, she got to her feet and went home to shower and change into something that didn’t reek of sex.

Heading inside, Austin went to the dining room, pulled a chair to the window, and watched his gorgeous neighbor raised the blind. Returning her smile and wave, he made himself comfortable as she turned the water on and a few moments later stood under a hot shower. His cock instantly growing to full mast, he thought about jerking off, but instead decides to test just how serious Harley was about giving him full, unrestricted access to her body. Getting up, he left the house, walked across the yard, and then gave the knob of her front door a turn. To his surprise it opened so he stepped inside. Stripping naked, he tiptoed to the bathroom and then slid the shower door open.

“Aahhgghhh! Jesus Christ, you scared the shit out of me, Master!” Harley screeched.

“Sorry about that,” Austin said as he stepped into the shower.

“Good Lord! How are you hard again, Master?”

“You turn me on that, much, slave. Honestly, I just wanted to test whether you meant what you said, but now that I’m here how do you feel about one more breeding before showering together?”

“I meant every word, Master. My body is yours to use however you desire.”

“However I desire? Careful what you say because you might not like the perverse things I’m thinking right now.”

Getting on her knees, Harley wrapped her left hand around Austin’s cock and slowly stroked it. “First, since you rushed in before I had time to say anything, know there are cameras hidden in every single room of my house recording everything including this. Second, as long as it’s legal my body is yours to do with as you please, Master. From this point on I’m your submissive to train however you desire. As long as you promise to breed me and not abuse the power I’m trusting you with, I’ll have a key made so that you may freely come and go day or night to make training and breeding me that much easier.” Standing, she turned, placed her hands on the wall, and then pushed back onto her Master’s cock.

“I give you my word that I’ll train and breed you to be the perfect sex slave and the last thing I’ll do is abuse you, or the trust you’ve given me,” Austin said, digging his fingernails into Harley’s hips. “That being said, you’re free to fuck all the women you want, but if you have sex with other men before I’ve knocked you up, our relationship ends there and then. Is that understood, slave?”

“No sex with other men at all, Master? Not even if they wear condoms or only use my mouth and ass?”

“None until you’re confirmed pregnant by me, slave. If you can’t accept and honor the trust I’m placing in you then this isn’t going to work, Harley.”

“I promise I won’t let another man touch me until you’ve bred me, Master, but I’ll definitely still tease them from a distance.”

“As long as you don’t have sex with them you’re free to do whatever else you desire.”

“Thank you, Master. Now please breed me again,” Harley panted. “To hell with going out. Please spend the rest of the night using me as your cum dump!”

“Nothing will make me happier, slave.”
