“So not only are you letting some asshole blackmail you into being a whore, now you’re going to be a prostitute as well?” Henry angrily said to his daughter.”

“FUCK YOU!” Natalie shouted in reply. “I didn’t have to tell you at all, but seeing as how you and mom are swingers I didn’t know if you’ve ever been to Raven’s Hollow. Now that I’m working there, or rather will be working there once I go in and talk to Lady Raven I thought I’d save everyone the embarrassment of finding out the hard way.”

“Are you certain this is what you want to do sweetie?” her mother calmly asked, though the tone of her voice was barely contained rage.

“It is. Look, I know the past couple of weeks have been one crazy thing after another, but I’ve come to the conclusion that I actually like everything the blackmailer had me do and working at Raven’s Hollow is the logical choice for me. And before you ask, no, I have no intentions of quitting school. In fact, this is an excellent way for me to pay off my student loans and start building a nest egg while I start my career.”

“If you are dead set on working at that place then so be it. You’re an adult and capable of making your own decisions. Your father and I have been there a few times in the past, but we’ll stay away from here on out.”

“God, you are such a hypocrite!” Natalie said to her father. Turning back to her mother, she spoke with more respect. “You don’t have to stop going on my account. I’m sure Lady Raven can arrange for you to see any other women you want. Which brings me to my next bit of news. I have a girlfriend named Beth and she works at Raven’s Hollow as well. In fact, she’s one of the women that participated in my commandment there so you might want to steer clear of her as well. Or don’t, either way is fine by me. We are in an open relationship and if you want to have sex with her that’s fine.”

“What in the hell has happened to you, Nat?” her father asked. “What happened to the shy, innocent college freshman who would rather spend her night’s home alone studying that go out and socialize?”

“I was blackmailed into opening my eyes and experimenting, remember? And you know what? If I’m going to be completely open and honest about it, it really boils down to those dildos mom bought me. Honestly, if they weren’t there and I didn’t use that big black one I never would have had the guts to take that first photo album to the men’s room at XTC Toys.”

“So everything that happened to you is my fault?”

“No. Yes. Maybe a little,” Natalie sighed. “Look, I’m not blaming you for anything I did. No one put a gun to my head and made me use the dildo and no one put a knife to my back and forced me to go into the bathroom stall. I did it and I take full responsibility for my actions. All I’m saying is that I most likely never would have taken the plunge had you not nudged me along with the dildos.”

“What about school?” Knock, knock. Someone lightly tapped at the front door “You expecting another delivery?”

“Nope.” Getting up off of the couch, Natalie walked over and opened the door to see Beth Standing there looking radiant. “Hey honey, come on in.” Giving her girlfriend a quick peck on the lips, she stepped out of the way. “I was just talking to my parents. Mom, dad, this is my girlfriend Beth. Beth, my parents Henry and Regina.”

“Pleasure to meet you,” Beth greeted them with a smile. “If you’re busy I can come back another time.”

“Nah, that’s okay. We were just talking about me working at Raven’s Hollow. I just found out my parents have been there a few times before.”

“Cool. If you ever come back ask for me,” Beth said with a wink.”

“See, I told you we’re in an open relationship. I already gave them my blessing to ask for you if they wanted. So, what brings you by?”

“Business, unfortunately. I told Lady Raven that you wanted the job she offered and she accepted of course, but before you start you must go in and fill out the necessary paperwork and then there are a couple videos and a lecture by Lady Raven that you have to sit through. The whole process will take at least four or five hours if you’re lucky.”

“Yay me! But if it’s what I have to do then it’s what I have to do. When does she want me to go in?”

“As soon as possible. If you get done early enough you can start tonight.”

“So, why come all this way to tell me that? You could have called, you know?”

“Maybe I was hoping to meet your parents,” Beth smiled seductively. “Maybe I was hoping I could keep them company while you were busy with Lady Raven.”

“Oh,” Natalie replied with mock disappointment. “And here I thought I was the one you loved.”

“Oh, I do. More than you can even imagine, but you know me, I’m a horny woman and your parents are pretty damn good looking. And from the bulge growing in your dad’s pants I’d say you had better be on your way before things get embarrassing for you?”

“Okay. Have fun and I’ll see you guys later.”

“Just like that?” Her mother gasped. “Are you seriously expecting us to have sex with your girlfriend?”

“If you want to. You heard her. And she’s right about dad, so do whatever floats your boats. Shit, you parked behind me.”

“Go ahead and take my car,” Beth said as she pulled her navy blue tee shirt off over her head. “The keys are in my purse there on the stand.”

Grabbing the keys from her girlfriend’s purse, Natalie looked back to see Beth’s bra drop to the floor and her parents nervously looking at each other. Pulling the front door closed behind her, she got in the car and pulled out of the driveway.

“Is this really happening?” Regina asked, watching as Beth tugged the jeans down her well-toned legs.

“It is,” Beth purred. “Unless you don’t find me attractive, that is. Do you want me to stop? Shit! The way you were staring at me I thought you wanted me, but I guess I was wrong. How humiliating,” she said bending over at the waist and slowly pulling her pants back up.”

“WAIT!” Henry said eyeing the nearly naked Beth. “You’re not wrong, and you are incredibly attractive. Go ahead and strip naked. Come on, honey, let’s join her.”

“Are you sure?”

“The dick don’t lie,” Henry said as he quickly unfastened his pants. Pulling them and his boxers off at the same time, his cock sprang to life and Beth reacted as she had so expertly been trained to do. Dropping on her hands and knees, she looked up into Henry’s eyes and took him into her mouth and down her throat – holding it there for a solid ten seconds. Looking to her right, she saw Regina’s shirt fall out of her hand as she rose to her feet.

“This feels wrong on so many levels,” Regina said as she unbuttoned her shorts “but if everyone else is okay with it then who am I to argue?” Quickly adding her bra and panties to the

pile of clothes on the floor, she walked behind Beth, raised her ass so that she was now on all fours and then licked her from clit to asshole. “Are you able to take a fist?”

“In both holes at the same time,” Beth answered. “You can work up to it slowly, or ram them in whenever it suits you. I can take it either way.”

“Good to know. I’m not that loose so please don’t use more than three fingers in either hole.”

“What about toys? Do you have any we can use?”

“A whole box of them. Nothing as big as what Nat now has, but I think it’ll do. Want me to go get them?”

“Please. And grab Natalie’s as well. I love being stretched open nearly as much as she does.” Turning her attention back to Henry, she looked up and smiled. “You had better fuck me now while you can enjoy it.” Spinning around, she dropped onto her hands and knees and spread her legs open. “Mmmm,” she moaned when Henry penetrated her pussy. Though she was not as tight as she used to be, with the help of nearly four years of kegel exercises she had pretty amazing muscle control and squeezed his dick like a vice.

“I don’t know what the fuck my wife is talking about,” Henry grunted as he worked his cock in and out of Beth’s tightly clenching pussy. “You’re damn near as tight as a virgin!” and then suddenly she wasn’t. Relaxing her pelvic muscles, her pussy opened like a tunnel and he barely felt anything at all. And just as quickly, she was squeezing him again. “What the fuck?”

“Muscle control,” Beth moaned. “Now fuck your load into me!”

Regina returned to the living room carrying two boxes of toys which she sat down on the coffee table. Pulling the flaps back, she did a side by side comparison for the first time since buying Natalie the three dildos and one obvious difference stood out. “My god, she has some big fucking toys! Other than the two normal ones I bought her, they’re all massive!” Picking up the largest butt plug she had ever seen, she held it out for everyone to see. “Does she really take this thing?”
